Global designs are steering retail in new directions

- + Around the world: Telecom, LG Live, E-Mart
- + Macy's rebuilds in Rhode Island
- + Tech report: Augmented reality enters the store

Maya Romanoff Corp.
mayaromanoff.com

Designed with a latex topcoat, True Paper Croc has a crocodile pattern effect and is made of 100 percent paper.

Coverings Etc.
coveringsetc.com

Made from post-consumer recycled glass, Bio-Glass can be used for flooring, countertops and other decorative surfaces. Light permeates through its layers of glass, resulting in a surface that appears lit from within. Six colors offered.

Perennials Fabrics
perennialsfabrics.com

The all-weather Diurne for Perennials is a 100 percent, solution-dyed acrylic fiber rug collection. Available in a variety of colors and sizes.
