### 1. Oscar Worthy by Bentley Prince Street

Old Hollywood comes alive with a contemporary interpretation of the 1940s in the form of flooring.

[bentleyprincestreet.com](http://bentleyprincestreet.com)

### 2. In-Groove by Modulys

Capture and retain dust particles more efficiently with carpet tiles that actually improve indoor air quality.

[modulys.com](http://modulys.com)

### 3. Black Art Vulcano by Object Carpet

You won't get stuck treading on this dark surface, despite a pattern reminiscent of rings made by pebbles tossed into a pool of tar.

[objectcarpet.com](http://objectcarpet.com)

### 4. Dolce Vita by Tretford

Expressing a passion for life is Dolce Vita, whose 12 new colours emphasize comfort and quality in a cashmere-and-wool blend.

[tretford.eu](http://tretford.eu)

### 5. Vintage Ornat by InterfaceFLOR

This environmentally conscious carpet takes inspiration from heritage and history, making 'lived in' look new.

[interfaceflor.com](http://interfaceflor.com)

### 6. Artisan by Bolon

Opportunities are around every corner with Artisan, a textile-enhanced carpet available in standard rolls, tiles and unique design combinations through the Bolon Studio™ concept.

[bolon.com](http://bolon.com)

### 7. Urban Knit by Todd van der Kruijk for Milliken

No need to run for cover as Todd van der Kruijk explores the trending practice of 'yarn bombing' to embellish a carpet tile using 45%-55% recycled content.

[milliken地毯.com](http://milliken地毯.com)

### 8. Bodice by Muurbloem for Ege

Layers of patterns and colours merge to create bold, fashion-influenced 'floorwear' by Muurbloem.

[egecarpet.com](http://egecarpet.com)

10

### 9. Edition 1 by Ross Lovegrove for Parador

When Parador extended an invitation to prominent designers, Ross Lovegrove conjured up laminate flooring with biomorphic patterns covering a circuit board for the feet.

parador.de

### 10. Materia by Gaya Fores

The Materia tile – available in neutral shades of white, grey or black – adds a note of unobtrusive quality to today’s bright interior spaces.

gayafores.es

11

12

### 11. Faux by Nathan Allan

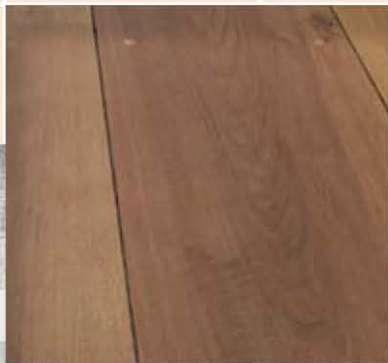

A floor tile designed with a swirling sandstorm pattern complete with a trademark ‘glass sandpaper’ finish, Faux provides a firm grip to any shoe tread.

nathanallan.com

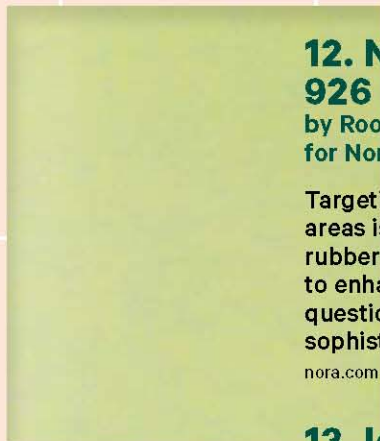

### 12. Norament 926 Serra by Roos en Ros for Nora

Targeting heavily trafficked areas is Nora’s slip-resistant rubber flooring, which promises to enhance the interior in question with structured sophistication.

nora.com

16

18

### 14. HeartOak by Dinesen

Dinesen’s uniquely authentic plank flooring reveals secrets hidden at the very heart of the oak tree.

dinesen.com

### 15. Unexpected Nature

by Forbo

Marmoleum is given new life in a flooring collection of rich hues and soft pastels composed of 97% natural raw materials (67% harvestable and 37% overall recycled content).

forbo-flooring.com

### 16. Deck

by Çanakkale Seramik

Add aesthetic depth to an indoor or outdoor space with tiles that have the appearance of wood.

kale.com.tr

### 17. Essenze Rare by GranitiFiandre

Playing with streaks, shadows and shades is a tile that celebrates a feast of olive, black oak and cherry wood.

granitifandre.com

### 18. Carving Grunge I.

by Mafi

Brushed and finished in white oil is a floor that not only finds inspiration in the Seattle music scene, but also showcases your favourite lyrics, sayings or designs.

mafi.at

### 19. Black American Walnut, Hand Scraped Face

by Ebony and Co

Hand-scraped floorboards finished in a texture akin to warped wood deliver a unique twist to a modern, practical product.

ebonyandco.com

## 1. Lake Como

by Greg Natale  
for Designer Rugs

Swim through a modern lake of geometric motifs with Greg Natale's custom-coloured creation.

[designerrugs.com.au](http://designerrugs.com.au)

## 2. Dice Play

by m-ar (R.J. Morganti)  
for Paola Lenti

Visions bouncing between Paola Lenti and Renato Morganti resulted in a playful display of dots on a die.

[paolalenti.com](http://paolalenti.com)

## 3. Zig Zag

by Sebastian Wrong  
for Established & Sons

Finding your way across a hand-knotted rug with varying densities and heights that mimic the hills and valleys of a topographic map is . . . fun!

[establishedandsons.com](http://establishedandsons.com)

## 4. Avenue

by Ritva Puotila  
for Woodnotes

Brass, gold and green occupy the eyes of those who relax on a symmetrically striped carpet created for Woodnotes.

[woodnotes.fi](http://woodnotes.fi)

## 5. Minore

by Hanna Korvela

Minore – a hand-woven mingling of soft wool and paper yarn – unites flooring and nature in stunning simplicity.

[hannakorvela.fi](http://hannakorvela.fi)

## 6. Fragment

by Pudelskern  
for Stepevi

Creative minds Nina Mair, Georg Öhler and Horst Philipp have come together to produce a rug infused with the patina of antique objects.

[stepevi.com](http://stepevi.com)

## 7. Beiras Bloom

by Casalis

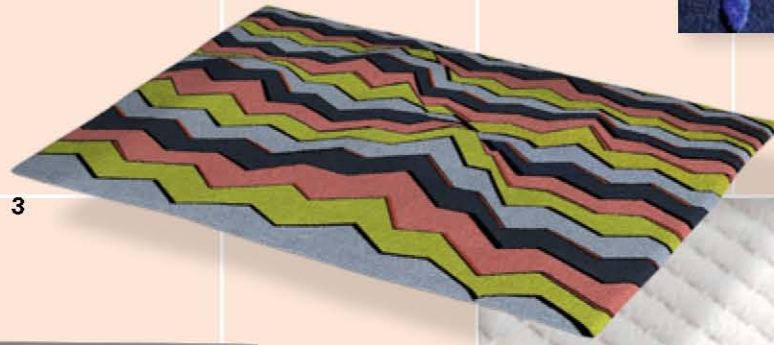

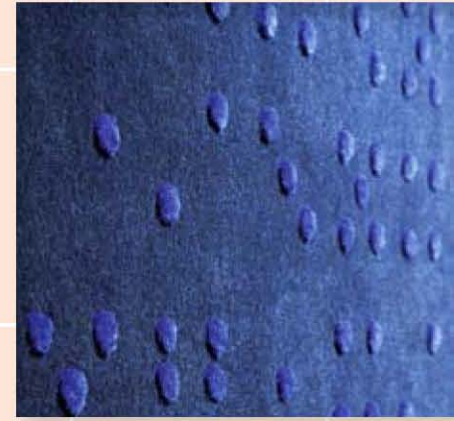

Hand-knotting techniques from the Beiras region of Portugal are modernized with a jute backing, customizable colours and a fringe option, resulting in a rug that is irrefutably European.

[casalis.be](http://casalis.be)

### 8. Figura by Sahco

A coarse cotton base with a Panama weave supports an ornamental design that comes in two contrasting shades or makes a subtle tone-on-tone statement.

[sahco.com](http://sahco.com)

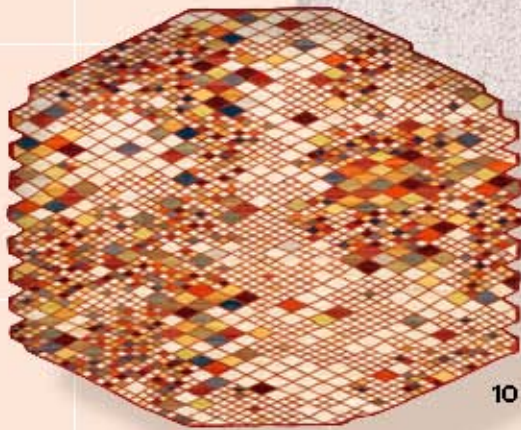

9

### 9. Bluhm by Minotti

Hand-tufted virgin wool makes Bluhm a thick yet supple rug, which boasts a non-allergenic, non-slip, natural-latex underlay.

[minotti.com](http://minotti.com)

10

### 10. Losanges by Ronan and Erwan Bouroullec for Nanimarquina

Rhombuses overwhelm in a handcrafted rug designed by the Bouroullecs and made by artisans in Northern Pakistan.

[nanimarquina.com](http://nanimarquina.com)

### 11. Looping by H el ene Dashorst for Limited Edition

Like a never-ending roll of ribbon, Looping is a maddening maze of moisture-resistant cord that takes more than 100 hours to compose.

[le.be](http://le.be)

### 12. Punto by COR

A timeless design in New Zealand-wool and in a variety of colourways, Punto gives a contemporary feel to any interior space.

[corde](http://corde)

12

### 13. Satura by Alfredo H aberli for Ruckstuhl

Fine leather and buckles connect felt elements in a collage-inspired collection.

[ruckstuhl.com](http://ruckstuhl.com)

### 14. Alcaraz Sky by Jan Kath

Referencing corrosion and eroded warehouses, Jan Kath's rug embraces his belief that 'perfection and smoothness are boring for our eyes'.

[jan-kath.com](http://jan-kath.com)

13

11

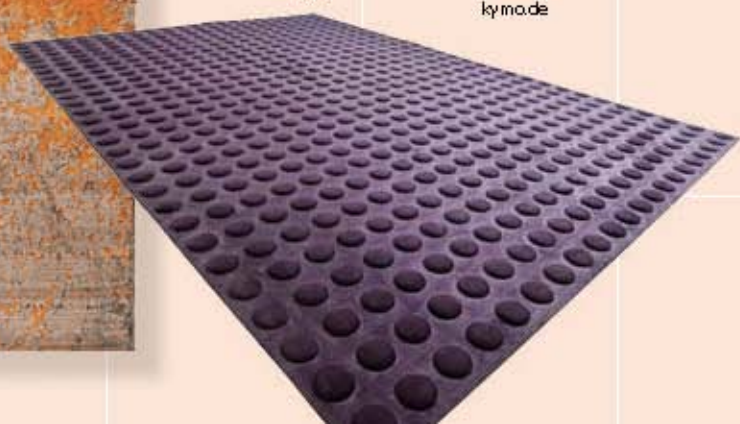

### 15. Fabric [Flat] Superdots by Eva Langhans for Kymo

The Kymo lab has concocted a futuristic fabric that not only is soft and dirt resistant, but also features an anti-slip backing.

[kymo.de](http://kymo.de)

**1. Steel**by Lorna Williams  
for Amtico

An addition to the Spacia collection is a rugged, masculine, metallic tile that breaks free from a typical matte surface.

amtico.com

**2. Neocountry**

by Apavisa

Simplicity and romance coalesce organically in Apavisa's tradition-based tile.

apavisa.com

**3. Eco-Terr**by Ofer Mizrahi  
for Coverings ETC

A 70%-recycled marble and granite tile – available in polished, honed, sandblasted and antiqued finishes – Eco-Terr can be used for both floor and wall applications.

coveringsetc.com

**4. Xeno Mosaic Polygon**

by Agrob Buchtal

A dry-pressed ceramic tile, Xeno Mosaic Polygon transforms a simple space into a mesmerizing matrix.

agrob-buchtal.de

**5. Beside**

by Ghenos

In an unexpected turn, Ghenos uses the reverse side of a tile to showcase brightly glazed patterns of graphic lines.

ghenos.net

**6. Tech**

by Q-BO Project

Tech tile splits its personality between modern gloss and minimal matte.

q-bo-project.it

**7. Area25**by Mosako+  
for Fabio Luciani

Area25 is made by grinding to a powder glass from waste and recycled products, a process that yields a solid, bright and environmentally friendly tile.

fabioluciani.it

**8. Lefka**

by Cerdomus Lab

A scenographic tile for walls or floors relies on digital technology and layering solutions for its impressive character.

cerdomus.net

**9. Architecture**  
by Casalgrande Padana

Sophisticated and subdued matte surfaces capture contemporary elegance in indoor-outdoor stoneware.

casalgrandepadana.it

## 10. Terra Tones

by Royal Mosa

Exhibiting an unglazed surface and gentle earthy hues, the Terra Tones collection lives up to its name.

[mosa.nl](http://mosa.nl)

## 11. Woodline Zebrano

by Vives Cerámica

Don't be fooled as Vives Cerámica disperses illusions of wood with its delusive collection of tiles.

[vivesceramica.com](http://vivesceramica.com)

## 12. 1303

by PorcelaniteDos

What appears to be a slice of timber straight from the tree is a ceramic tile whose metallic wood finish is free of splinters.

[porcelanitedos.es](http://porcelanitedos.es)

## 13. Carbon

by Recer

Ideal for airports, gyms, hotels and high-traffic areas, this chemical-resistant tile, which comes in a range of formats and finishes, grants a top-notch performance.

[recer.pt](http://recer.pt)

## 14. Pico

by Ronan and Erwan Bouroullec for Mutina

Compacted particles of sand and minerals combine to produce a motif of recessed and elevated dots – on a matte surface of grey, sand, red or blue.

[mutina.it](http://mutina.it)

## 15. Lama

by TAU Cerámica

With a tactile touch that rivals natural wood, Lama offers aesthetic excitement to both indoor and outdoor surfaces.

[tauceramica.com](http://tauceramica.com)

## 16. Audrey

by Lea Ceramiche

Pastel shades within an elegant porcelain tile lend a light, contemporary feel to a diversity of interiors.

[ceramichelea.it](http://ceramichelea.it)
