ECO-TERR®

Slab Cut Sheet

Standart

Overview

Embrace quality and style with Eco-Terr® Slabs, your optimal choice for flooring and countertops. Eco-Terr® is crafted from Future-Friendly™ material, a unique blend of recycled natural stone aggregates.

These slabs are not only aesthetically pleasing but also built to last, thanks to their durable, zero VOC materials.

The cleanable finish is resistant to microbial growth and prevents moisture accumulation. Consequently, it aids in maintaining a mold-free environment and enhances indoor air quality.

Contains pre-consumer recycled content; may help contribute toward LEED® credits with USGBC project certification.
